Optional Lunch Sessions (*please indicate on registration form which session you wish to attend*)

Monday, June 15

Lunch Session 1

"Building Local, Regional and International Partnerships", Juma Assiago
Schools and other youth serving organizations can no longer operate in isolation. Building local and regional partnerships is no longer enough. Networks need to extend beyond state boundaries to national and international links. This session will focus on how schools and other youth serving agencies can effectively develop partnerships.

Lunch Session 2

"The 21st Century Leader: The West Virginia Approach", Michele Blatt, Donna Peduto & David Price, West Virginia Department of Education
This session will highlight the statewide initiative to build leadership capacity for principals in the state of West Virginia. The twelve-month program focuses on building leadership skills necessary for principals to thrive in the 21st Century setting. Specific elements of the model will be shared that can be replicated in other settings.

Tuesday, June 16

Lunch Session 3

"Going Global: Building Capacity for Change in a Globalized World", Yong Zhao
This session will give participants an opportunity to interact with Dr. Zhao in an informal session to discuss how schools can change to meet the needs of their students in a rapidly changing world.

Lunch Session 4

"Creating High Performing Teams", James Gault, Assistant Superintendent Secondary Education, Toledo Public Schools, Ohio
This session will focus on how districts and schools can change the dynamic of the organization through the creation of high performing teams. Specific examples of one district's story will be shared.
